CERTIFICATE OF TRANSMISSION UNDER 37 C.F.R. § 1.8	
I hereby certify that this correspondence (along with any referred to as being attached or enclosed) is, on the date shown below, being transmitted to the United States Patent and Trademark Office transmitted via the Office electronic filing system in accordance with 37 C.F.R. §1.6(a)(4).

Examiner Choi:

The citations listed in the attached **IDS Form SB08A** may be material to the examination of the above-identified application, and are therefore submitted in compliance with the duty of disclosure defined in 37 C.F.R. §§ 1.56 and 1.97.

Applicants wish to bring to the Examiner's attention that we are not providing copies of US Patents as instructed under 37 CFR 1.98(a)(2). Applicants also wish to note that the reference cited herewith is from the Office Action dated November 30, 2010 from the co-pending Brazilian Patent Application No.: PI 0009158-8. Since the foreign action is dated more than three months prior to the Supplemental Information Disclosure Statement filed April 1, 2011, no certification was made under 37 CFR 1.97, instead, the fee under 37 CFR 1.17(p) was paid. Applicants maintain that this was correct. At this time, the Information Disclosure Statement is resubmitted, applicants believing that no fees are due with this transmission, as the RCE and IDS fees have already been paid. The Examiner is requested to make these citations of official record in this application.

This Information Disclosure Statement under 37 C.F.R. §§ 1.56 and 1.97 is not to be construed as a representation that a search has been made, that additional information material to the examination of this application does not exist, or that any one or more of these citations constitutes prior art.

The Commissioner is hereby authorized to charge any required fees or credit any overpayments to Attorney Deposit Account No.: **50-4302**, referencing Attorney Docket No.: **BDERM-31657/US-4/CON**.
